Caries Management: Current Concepts and Clinical Techniques

The theme for the 2015 Annual Meeting on September 25 & 26 will, in the words of Local Organizing Committee (LOC) Chair, Dr. Jennifer MacLellan, be the basis for “a wonderful weekend, complete with current and clinically relevant educational sessions and Maritime hospitality in the beautiful and historically rich port city of Halifax, Nova Scotia”.

To complement the weekend, the LOC, which includes Dr. Ross Anderson, Dr. Tracy Doyle, Dr. Anil Joshi and Dr. Heather Dyment, have secured two dynamic speakers to address the attendees.

Dr. Joel Berg will speak on Friday, September 25 on the topic of The Continuum of Caries Management.

Dr. Richard Price will speak on Saturday, September 26 on the topic of Fast Curing with High Power Curing Lights: Is this a Good Idea?

(Cont’d on page 2)
CAPD-ACDP’s 2015 Annual Meeting in Halifax will feature these dynamic speakers!

Dr. Joel H. Berg: The Continuum of Caries Management, Friday, September 25, 08:30 to 15:30.

Dr. Joel Berg is Dean of the University of Washington School of Dentistry in Seattle. He is Professor in the UW Department of Pediatric Dentist and holds the Lloyd and Kay Chapman Chair for Oral Health. Dr. Berg is a board-certified pediatric dentist and was President of the American Academy of Pediatric Dentistry for 2012-2013. Dr. Berg previously held positions as Chair of Pediatric Dentistry at the University of Washington from 2003-2012, as Vice President of Clinical Affairs at Philips Oral Healthcare (Sonicare) from 2000-2003, and as Head of the Scientific Department for ESPE Dental AG (Seefeld, Germany) from 1998-2000. He is the author of the book *Early Childhood Oral Health*, and over 100 manuscripts and book chapters on subjects including dental restorative materials for children and other work related to biomaterials. His current research interests include the development of dental caries prevention programs using risk assessment models and early childhood oral health.

A summary of Dr. Berg’s talk along with the educational outcomes is available at [http://conference.capd-acdp.org](http://conference.capd-acdp.org).

Dr. Richard Price BDS, DDS, MS, FRCD(C), FDS (Edin), PhD received his BDS from the University of London in 1979 and his DDS from Dalhousie’s Faculty of Dentistry in 1988. He completed his MS in Restorative Dentistry at the University of Michigan in 1984 and his PhD at the University of Malmö, Sweden in 2001. Dr. Price is the inventor of the MARC system for teaching effective light curing and is actively involved in research on dental resins and dental curing lights. Dr. Price also works as a Prosthodontist in the Faculty of Dentistry practice at Dalhousie University. He has made numerous CDE presentations and has also been author of more than 100 peer-reviewed articles. As a recognized leading international expert in light curing Dr. Price recently organized a symposium on Light Curing in Dentistry at Dalhousie University that attracted over 40 Key Opinion Leaders.

Local Organizing Committee:  Drs. Jennifer MacLellan, Ross Anderson, Tracy Doyle, Anil Joshi, Heather Dyment
CAPD-ACDP HONOURS OUR AMAZING SPONSORS!

SUSTAINING SPONSOR
3M ESPE CAPD-ACDP Graduate Student Awards

You and 3M ESPE share a common goal. Like you, we’re committed to improving dental care and to finding easier and better solutions for your patients. We know that it’s one thing to develop a product with promise, but it’s yet another to consistently develop a product that lives up to its promise. At 3M ESPE, our team strives to make sure that our performance matches our promise.

Innovation

3M ESPE has a worldwide reputation for bringing exciting new ideas to dentistry. Our wide range of products and services includes restorative, crown and bridge, implants, preventive, infection control and cosmetic dentistry. In addition, our Digital Oral Care department integrates advanced digital technology and materials science through CAD/CAM and digital impressions. 3M ESPE has brought a number of amazing firsts to the dental industry, including the first-ever tooth-colored restorative material, the first self-adhesive universal resin cement, the first nano ionomer, the first malleable, preformed temporary crown and the first automated mixing of impression materials.

Education

To help dentists stay ahead of the continual changes being made in materials and techniques, we also offer 3M ESPE Expertise™ educational programs, which deliver a broad range of reliable technical insights and clinical results to dental professionals worldwide. Expertise programs allow for a two-way exchange of knowledge and information between clinical researchers, material scientists and dental professionals.

Commitment

With 3M ESPE, you get more than a provider of innovative dental products and services. You get a partner dedicated to the highest possible standards in dentistry. We are driven to deliver practical and ingenious solutions that make a difference in your practice, and it all leads back to our mutual commitment: to improve dental care for your patients worldwide.

Ultimately, our success depends on your success. So join us in defining the future of dentistry.

Even when I’m not a princess, 
the crown still fits...

Backed by numerous independent clinical studies since 1984, 
3M ESPE offers a full line of prefabricated stainless steel crowns 
for your little patients. They are a proven method of single-unit 
temporization for both short- and long-term coverage.

- Accurately duplicates anatomy for better fit and performance
- Proven strength and wear resistance
- Consistent, reliable performance
- High quality stainless steel

When the crown fits, everyone is happy.

Customer Care Centre 1-888-363-3685

It’s all about the kids.

Mission

NuSmile is committed to making a positive impact in the lives of pediatric dental patients by providing the highest quality, most trusted and innovative products for use in restoring and protecting children’s smiles.

For over 24 years, NuSmile has been a proud partner of organized pediatric dentistry and pediatric dental education worldwide. Through these partnerships we have helped raise the standard of care for children around the world.

Performance

NuSmile has been providing pediatric dentists worldwide with the most trusted preformed esthetic crowns over the past 24 years. Through our science and researched based approach to product development and performance, NuSmile crowns have been proven to be the highest quality crowns available.

NuSmile is now the only company to offer a complete zirconia crown system. The system includes not only the highest rated zirconia crown available, but also NuSmile’s exclusive Try-In crowns. Try-In crowns completely eliminate the possibility of saliva contamination. Saliva contamination to zirconia is scientifically proven to drastically reduce cement adhesion. Completely avoiding saliva contamination allows you to work more efficiently and with more confidence.

NuSmile puts you Smiles Ahead.

www.nusmilecrows.com
Smiles ahead.

For the past 24 years we’ve helped pediatric dentists deliver over 4 million smiles – more than all of our competitors combined. You get ahead by being proactive, anticipating customers’ needs and doing whatever it takes to keep patients smiling.

Thank you for your business. We will continue to go the extra mile to ensure there are plenty of smiles ahead.

“I use NuSmile Signature Crowns exclusively. The crowns look great, which really pleases the parents of my little patients. The fit and size options make placing the crowns fast and predictable, and the durability of the veneered crowns keeps me coming back. When I’m working on restoring a smile, I use what I trust. Thank you NuSmile.”

Corban Stettler, DDS
Kids Rock Pediatric Dentistry, Colorado Springs, CO

“I love how great the NuSmile ZR looks on patients 2 years post-op and on. Nothing else I’ve used retains their color and shape anywhere close to the ZR crowns. If any child in my family needed crowns, I would use ZR crowns!”

Hiren Patel, DDS
Jet Set Smiles, Phoenix, AZ

“NuSmile ZR crowns are the third zirconia system I’ve tried. They are definitely the easiest to fit thanks to the Try-in crowns. The retention of the crowns is superior, as the cemented crowns never interact with the oral environment.”

Lawrence Dinkes, DDS
Commerce Park Children’s Dentistry & Orthodontics, Bridgeport, CT

Visit us at the CAPD/ACDP 2015 Meeting to enter Daily Drawings for Special Gifts and 20% Off NuSmile products!

NOTICE OF ANNUAL GENERAL MEETING

TAKE NOTICE that the Annual General Meeting of the Canadian Academy of Pediatric Dentistry/ Académie Canadienne de Dentisterie Pédiatrique will be held on Saturday September 26, 2015 at 11:30 am at Halifax Marriott Harbourfront Hotel, Halifax Ballroom, Salons A & B 1919 Upper Water Street Halifax, Nova Scotia, B3J 3J5

The Meeting will:

a) receive and consider the financial statements of the Academy;

b) receive and consider the 2016 Budget

c) transact such other business as may properly be brought before such a meeting

Dated at Toronto this 10th day of February, 2015

By Order of the Executive Committee

Dr. Patrick Canonne

President

Note: Only CAPD-ACDP Members in good standing may vote.
Two Great Social events…
to promote Networking and the sheer fun of being in Halifax!

Friday September 25, 18:00 to 21:00

WELCOME RECEPTION AT THE MARITIME MUSEUM OF THE ATLANTIC

Join in the Fun! Located on the waterfront boardwalk just steps from the Halifax Marriott Harbourfront Hotel, the Welcome Reception will take place in the small craft museum at the historical Maritime Museum of the Atlantic. Guests will enjoy Celtic music provided by The Fine Tuners, a local fiddle, piano and bass trio, Nova Scotian beer and wine, and a delicious Maritime stand-up dinner with unguided access to exhibits on the first two floors of the museum.

Saturday September 26

Cocktail Reception
18:00-19:00

President’s Gala Dinner and Dance
19:00-01:00

Located in the Halifax Marriott Harbourfront Hotel, the venue for this gala event features beautiful and unobstructed views of the Halifax harbour.

Following a cocktail hour featuring Harry Bentham at the piano, the executive and guests will experience the Maritime tradition of being ‘piped in’ to dinner!

Although entrée options will be available, we expect many of our guests will choose the fresh local lobster dinner.

Live music will be provided by the popular Halifax band, Big Fish. This lively group has an amazing playlist and comes with an incredible ability to draw everyone to the dance floor!
Reserve your Accommodation as soon as possible

Halifax Marriott Harbourfront Hotel

Reserve at 1-800-943-6760

A block of rooms have been set* aside for the Annual Meeting with rates for Single or Double rooms at $199.00 plus taxes. This rate is valid for 3 days prior and 3 days post the Annual Meeting.

Located at 1919 Upper Water Street, the hotel is within walking distance (or a very short taxi ride) of many of Halifax’s attractions including:

- The Maritime Museum of the Atlantic
- Casino Nova Scotia
- Keith’s Brewery
- Dalhousie University
- Art Gallery of Nova Scotia
- Citadel Hill
- Shopping in the Spring Garden Area
- And lots more—read about it at

http://www.destinationhalifax.com/experience-halifax/things-to-do

*Accommodations—while the rooms are still available!

Please note that on July 15, 2015, CAPD-ACDP will reduce the number of rooms available at the Conference Rate. Any remaining rooms will only be available until August 15, at which time the CAPD-ACDP Conference Rate will end.
Esthetic Pediatric Crowns In-Depth with Dr. Donly

This Hands-On Workshop will prepare you to use zirconia restorations with confidence for your very next patient.

Limited Attendance, call to reserve your spot today!

Kevin Donly, D.D.S., M.S.
Professor and Chair
Department of Developmental Dentistry
Professor in the Department of Pediatrics
University of Texas
Health Science Center at San Antonio

Thursday, Sept. 24th, 2015
6:00-9:00 PM at the Halifax Marriott Harbourfront

The use of ceramic crowns is a relatively new technology available to pediatric dentistry for the restoration and rehabilitation of the primary dentition. NuSmile ZR (zirconia) crowns offer the ultimate combination of art and science for esthetic restoration of both anterior and posterior primary teeth. The presentation will cover different crown options available, as well as cementation considerations for the best results. At the end, we’ll review clinical cases and answer frequently asked questions. This is a “hands-on” workshop which will cover the principals and techniques for sizing, preparation, fitting and cementation of NuSmile ZR crowns.

The educational goals of this course are:

- Brief review of diagnosis and treatment planning principals which reflect the clinical guidelines of the AAPD on full coverage restorations for primary teeth
- Participants will be competent in the application of zirconia ceramic full coverage restorations of severely decayed or fractured primary teeth
- They will be familiar with the indications and contraindications for the placement of such restorations
- All necessary equipment and materials will be available for participants to achieve the course goals
PEDIATRIC DENTAL STUDENTS AND GRADUATES

The CAPD-ACDP recognizes that the future national voice of pediatric dentistry in Canada lies within its graduate student population. Whether students are participating in a program within Canada or in the United States, there is one common thread amongst them all - they are linked together and with their active CAPD-ACDP member colleagues through the CAPD-ACDP website at http://capd-acdp.org/GradResearch.

Four Things to Keep In Mind!

1. **Registration for the Annual Meeting is complimentary!** This means you can attend the scientific sessions, meals, social events on Friday and Saturday nights at no cost. All you pay is your transportation and accommodation. If you bring a guest, then your guest pays $75.00 to attend the Welcome Reception and $150.00 to attend the President's Gala dinner and dance. **Register at** [http://conference.capd-acdp.org](http://conference.capd-acdp.org).

2. Each year up to 10 Graduate students will be invited to present their research at the Annual Meeting. Invited students are eligible for the **3M ESPE CAPD-ACDP Graduate Student Award** of $1000 which is awarded to the best presenter as determined by a panel of judges. 3M ESPE also awards a sample of their product line to all graduate student presenters. For full details please visit [http://capd-acdp.org/GradResearch#presentations](http://capd-acdp.org/GradResearch#presentations).

3. **Dr. Keith Titley Pediatric Dentistry Graduate Training Scholarship** was established to support advanced training in the area of Research and Fellowship in Pediatric Dentistry in Canada. It’s open to Canadian graduate students who are registered in an accredited Canadian advanced training program in Pediatric Dentistry and who are entering their final year of the program. Graduate students must be a student member of CAPD-ACDP and may be considered for the scholarship one time only. The value of the scholarship is $2000.00 for 1st prize and $1000.00 for 2nd prize. For full details visit [http://capd-acdp.org/GradResearch#Scholarship](http://capd-acdp.org/GradResearch#Scholarship).

4. **The CAPD-ACDP Dr. Norman Levine Undergraduate Dental Student Award** consists of one award given annually to each accredited Canadian Faculty of Dentistry for a third or fourth year DDS/DMD student who demonstrates aptitude and passion for the field of pediatric dentistry and/or dentistry for persons with special needs.

The recipient should be nominated by the Undergraduate Pediatric Dentistry director in consultation with the respective faculties’ awards committee. The recipient of this award will receive $200.00 and a certificate. For further details visit [http://capd-acdp.org/GradResearch#Levine](http://capd-acdp.org/GradResearch#Levine).
GRADUATE AND UNDERGRADUATE WINNERS!

On behalf of all the members of CAPD-ACDP, we wish to offer our sincere congratulations to the winners of the following prestigious awards:

The Dr. Keith Titley Pediatric Dentistry Graduate Training Scholarship:

1st Prize: Dr. Andrew Wong, University of British Columbia

2nd Prize: Dr. Marie-Lyne Gosselin, University of Toronto

Dr. Norman Levine Undergraduate Dental Student Award

Vanessa Dufour, Université de Montréal

Linda Vanessa Rivera, Université Laval

Association des dentistes pédiatriques du Québec
Quebec Association of Pediatric Dentists

CAPD-ACDP extends hearty congratulations to the new volunteer Executive that was introduced at the May 25 2015 meeting:

Dr. Marie-Josée Pilon  présidente/President
Dr. Basma Dabbagh  vice présidente/vice president
Dr. Isabelle Lacroix  trésorière/Treasurer
Dr. Caroline Quach  secrétaire/Secretary
HONOURARY MEMBERS

CAPD-ACDP Constitution
4.2.4 Honourary Members

The Academy's highest honour is Honourary Membership, which recognizes an individual deemed to have made outstanding contributions to the advancement of Pediatric Dentistry or to this Academy over a sustained period of time. Proposals for Honourary Membership shall be made in writing to the Executive Committee and approved at the General Assembly. Honourary Members shall be exempt from membership and meeting registration fees. Honourary members shall be eligible for all the privileges of the Academy including the right to vote, to make nominations, and to hold office.

Dr. Franklin E. Young

Did you know this about Halifax?

- Halifax is the capital of Nova Scotia. It hosts the largest population east of Quebec City – 403,000 people at last count.
- Halifax has been around for a long time. It was founded in 1749 by Honorable Edward Cornwallis of England.
- The Halifax Explosion in 1917 was the world's largest man-made explosion prior to Hiroshima. About 2000 people were killed and 9000 injured when the SS Mont Blanc, a French cargo ship loaded with wartime explosives collided with an empty Norwegian ship. It caught fire and 25 minutes later exploded. A tsunami and pressure wave also occurred and caused considerable damage.
- The Dalhousie Gazette, established in 1868, is the longest running college newspaper in Canada.
- The first public library in Canada was Halifax's Citizens' Free Library, established in 1864.
- One in every five Canadians is related to someone who passed through Halifax's Pier 21.
- The first newspaper in English Canada was the Halifax Gazette, initially published on March 23, 1752 by John Bushell.
- Canada's first covered ice rink was opened on January 3, 1863 in the Public Gardens.
- Canada's last piracy trial took place in Halifax in 1844. Four crew members of the British vessel Saladin were the last people hanged as pirates in Canadian history.
- There are more pubs per capita than any other city in Canada.

| **CDAC Committee on Hospital Service and Internship** | Dr. Geoff Smith, Dr. Ross Anderson | Reviews all of the accredited hospital dental services and internships (dental residencies in Canada) to insure that standards that are reflective of quality service and education are met in accordance with CDAC. |
| **CDSA Representative Liaison** | Dr. Robert Barsky | Dedicated to the representation and advancement of the Canadian Dental Specialties, the profession of dentistry nationally and internationally, the achievement of optimal oral health, general health and quality of life of Canadians, and the support of the profession of dentistry in the advancement of optimal oral health. See [http://www.cdsa-acsd.ca/](http://www.cdsa-acsd.ca/).

| **RCDC Councillor** | Dr. Felicity Hardwick | Report on relevant RCDC Executive council matters to CAPD. Position changes every 3 years.

| **3M ESPE Liaison** | Dr. Ross Anderson | To insure an ongoing relationship with 3M ESPE and their sponsorship of the 3M ESPE CAPD-ACDP Graduate Training Presentation Awards.

| **CDA representative to the CDAC Board** | Dr. Ross Anderson | The Commission on Dental Accreditation of Canada (CDAC) is the body responsible for accrediting dental, dental specialty, dental residency, dental hygiene and dental assisting education programs in Canada. CDAC also accredits dental services. In Quebec, dental services accredited by ODQ are recognized by CDAC.

Please note that CAPD-ACDP has made every effort to list the involvement of our Members in the various industry committees and associations. We acknowledged that many CAPD-ACDP members are involved in provincial associations and committees. If your name and committee work were inadvertently omitted, please accept our sincere apologies but also please send a note to steve@capd-acdp so we may include you in the next issue of The Mirror.
Appointment of New Registrar

April 1, 2015

Council is delighted to announce the appointment of Dr. Keith Morley as Registrar of The Royal College of Dentists of Canada effective Wednesday, April 1, 2015.

The membership continues to grow, along with the solid reputation of the College in the professional and regulatory community. As we continue to evolve, the skills of the Registrar will be critical in navigating the College through a rapidly changing political, professional and regulatory environment that will require proactive and strategic stakeholder engagement to foster constructive dialogues.

Dr. Morley brings the experience and expertise to meet these challenges through a proven record of operational leadership, strategy development, financial and relationship management.

He is a graduate of the Faculty of Dentistry, University of Manitoba, and completed his pediatric dental residency at the University of Toronto and Hospital for Sick Children in Toronto.

In addition, Keith recently completed the 18-month Executive Masters of Business Administration Program at the Kellogg Schulich and Kellogg Northwestern Schools of Management in Toronto and Chicago respectively. He obtained his joint MBA degree from these institutions in December 2013.

Keith has had a distinguished career, initially with the Canadian Armed Forces Dental Services, from which he was honorably discharged with the rank of Lieutenant Colonel, and more recently in private practice in Pediatric Dentistry.

He has held progressively senior leadership positions within organized dentistry in Canada and the United States, culminating with being the only Canadian to have served as President of the American Academy of Pediatric Dentistry. He also has been active in health care with appointments as Chief of Dentistry and Deputy Chief of Surgery at the Royal Victoria Hospital Regional Health Centre in Barrie, Ontario. In addition, Keith has been an active Fellow of The Royal College of Dentists of Canada holding the following positions: Examiner, Pediatric Dentistry (1987-1993), Chief Examiner, Pediatric Dentistry (1994-1999), and elected Council member, Pediatric Dentistry (2002-2004).

Keith’s solid experience comes with a strong belief in the role of regulatory bodies to serve and protect the public interest. Given his enthusiasm for the College, he is eager to begin collaborating with the Council, staff and members with a view to delivering results which promote the high standards of practice of the recognized dental specialties by examining qualified candidates for admission to Fellowship, and by working with stakeholders to establish standards for dental specialty education, practice and certification. Over the coming weeks, he will begin to reach out to introduce himself and will take advantage of various opportunities to meet with and learn more about College members.

As the College moves forward with a new Registrar, a special thank you must be expressed to Garnet Packota who has been our Acting Registrar and, as always, has demonstrated his unwavering commitment to professional excellence and to the College. I know everyone joins me in expressing our deep appreciation for Garnet’s efforts and achievements.

The Executive leadership of the College is embarking upon a very exciting new phase of strategic growth and development. Given Keith’s past leadership experience, the Executive believes there is a great deal that we will be able to accomplish together to ensure our members and the public are well-served. Please join us and the Council in extending your full support and a very warm College welcome to Keith Morley.

CELEBRATING ALL THAT IS NOVA SCOTIA

CAPD-ACDP is thrilled to feature the photographs of Dr. Peter Pronych, an Honourary Member of the Academy and a former President (1989-1992). In Peter’s own words…

I began pursuing many put-off activities such as creating and producing photographic DVD’s, transferring vinyl records to CD’s and showing automobiles, in addition to being a grandfather, after a very busy and active career in the practice and teaching of Pediatric Dentistry, serving in different capacities in CAPD, as a short term consultant with WHO in the Middle East and authoring four books (two printed versions and two digital iBooks) dealing with the true story of the life and times of ‘Painless Parker, Dentist and Showman.’

For an up close and personal look at Peggy’s Cove, view Peter’s You Tube at https://www.youtube.com/watch?v=2AgLBmKqQvA&feature=em-share_video_user
