Position #31436 Assistant/Associate Professor (Pediatric Dentistry) University of Manitoba

**Division of Pediatric Dentistry, Department of Preventive Dental Science, Dr. Gerald Niznick
College of Dentistry, Rady Faculty of Health Sciences.**

The Division of Pediatric Dentistry, Department of Preventive Dental Science, Dr. Gerald Niznick College of Dentistry, Rady Faculty of Health Science invites applications for a full-time tenure-track or tenured Assistant or/ Associate Professor in Pediatric Dentistry. Rank and salary will be commensurate with qualifications and experience. The appointment will commence on **July 1, 2022**, or as soon thereafter as possible.

Responsibilities will include didactic, preclinical and clinical teaching in the undergraduate program; didactic and clinical teaching in the graduate pediatric dentistry specialty program (if the appointee is a specialist in Pediatric Dentistry) and administration; as well as research and participation in community service programs in pediatric dentistry.

Ideally, the appointee must have completed specialty training in Pediatric Dentistry, preferably from a program of 36 months duration. However, consideration will also be given to a dentist with exceptional experience / interest and /or additional training in Pediatric Dentistry. Previous teaching, research and university-based administration experience is preferred. Successful completion of the NDEB or Canadian NDSE and /or RCDC exam in Pediatric Dentistry at the time of hire is required. For appointment at the Associate Professor level will have experience in teaching at the graduate level, masters-level research mentorship and evidence of a successful dossier in research, including peer-reviewed publications and success in obtaining grant funding.

Candidates must be eligible for licensure with the Manitoba Dental Association as a Dentist or Pediatric Dentistry specialist (Licensing Bylaw No. 17-10 <http://www.manitobadentist.ca>). For applicants who are Pediatric Dental Specialists, a concurrent agreement for a medical staff appointment with Shared Health, Province of Manitoba would be a requirement of employment by the successful candidate. Private Practice privilege is available 1 day, or two half days per week upon signing the agreement.

Only complete applications will be considered. Applications must include the following: Curriculum Vitae; statement of career goals including the applicant's recent and past experience related to teaching, research, and service (i.e., Teaching Dossier, Research Dossier, and Service Dossier); three letters of reference sent directly from the referees; certified copies

of university graduation certificates; a certified copy of the applicant's present licensing authority registration certificate; and a Letter of Good Standing from the present licensing jurisdiction. Applicants who have not graduated from accredited dental and specialty training programs in Canada are required to submit, at their own expense, independent verification of their university-based graduate credentials and transcripts, which may be obtained from: <http://www.wes.org/ca/> or <http://www.wes.org/ca/educators/evaluation.asp>. As a requirement for employment in the College of Dentistry, all staff in a clinical setting are required to submit a Criminal Record Check as well as a Child Abuse Registry check at the time of hire.

The Mission of the University and College includes a commitment to Scholarship, Teaching, Research, and Service (www.umanitoba.ca/dentistry).
