Canadian Brush-off

Show your support by participating in our Canadian Brush-off. Simply register online at www.brushamania.ca. On Wednesday, April 22 at 12 noon (EDT), brush your teeth for two minutes. Send us your fun pics, video or share your family brushing together on social media and use the hashtag @brushamania.

Brush-a-mania is a not-for-profit program designed to promote oral health and awareness among young children from Junior Kindergarten to Grade 6. It was started in 2001 by the Scarborough Rotary Passport Club and has already reached over 800,000 students. Our goal is to educate and motivate children and bring together dentists, Rotarians, teachers and parents to create a celebration around proper dental care.

Help us promote good oral health by spreading the word to others online. Thank you for supporting Brush-a-mania and Oral Health Month.

Stay healthy and keep safe.
