Dr. Norman Levine Undergraduate Dental Student Award

Dr. Norm Levine was the first graduate trainee in pediatric dentistry from the Faculty of Dentistry, University of Toronto program in 1960. Norm was Professor and Head of the Department of Pediatric Dentistry, Faculty of Dentistry, University of Toronto from 1976 to 1993. He was an internationally renowned and respected leader in dentistry for Persons with Disabilities. Demonstrating a steadfast passion for pediatric dentistry, Norm raised its profile and reputation.

It is with great honour and respect that the membership of CAPD/ACDP has established The Canadian Academy of Pediatric Dentistry/Académie Canadienne de Dentisterie Pédiatrique Dr. Norman Levine Undergraduate Dental Student Award.

The 2015 Université de Montréal recipient is Dr. Vanessa Dufour, pictured 3rd from the left. In addition to excelling in pediatric dentistry, Dr. Dufour acts as president of the Dental Students Association and is a member of the Faculty Council.

L to R: Dean Gilles Lavigne; Dr. Jack Turkewicz, Director of the Oral Health Department; Dr. Vanessa Dufour; Dr. Pierre Boudrias, Director of the Department of Restoration Dentistry; Dr. Renée Delaquais, Faculty Secretary; Dr. René Voyer, Vice Dean for Clinical Affairs; and professors Dr. Florina Moldovan and Dr. Nathalie Rei.

The 2015 University of Saskatchewan recipient is Dr. Richard Andrews. L to R: Dr. Gerry Uswak, Dean and Associate Professor, Practice Management, College of Dentistry; Dr. Richard Andrews.

• Dr. Emily Wallace was the recipient from Dalhousie University.

• Dr. Linda Vanessa Rivera was the recipient from Université Laval.

It’s in our Constitution (Section 4.2.5)...

Undergraduate students actively enrolled in an educational program in dentistry accredited by the Commission on Dental Accreditation of Canada or an accreditation body with which the Commission on Dental Accreditation of Canada has a reciprocal accreditation agreement, are eligible to apply for Undergraduate student membership.

All student members shall be exempt from membership dues, receive copies of all general membership communications and publications without charge.

Also... Undergraduate student members may attend meetings of the Academy after registering and paying all associated fees. For complete details see Section 4.2.5 of the Constitution and By-Laws.

The 2015 Annual Meeting in Halifax:
History, Hospitality, Great Educational Sessions and Fun for All

The Local Organizing Committee, chaired by Dr. Jennifer MacLellan and ably assisted by Drs. Ross Anderson, Tracy Doyle, Anil Joshi and Heather Dyment organized an excellent event that CAPD/ACDP members are still talking about. The Halifax Marriott Harbourfront Hotel was more than accommodating. From the Opening Reception at the Maritime Museum of the Atlantic to the President’s Gala Dinner and Dance, the event was packed with surprises (thank you, Mayor Savage), great food, great speakers and great networking.

Here is a photo gallery of memories for both those who attended and those who unfortunately missed the event.

A slide show presentation of the 2015 Annual Meeting may be found at http://conference.capd-acdp.org.

happymouth is the first and only anti-cavity mouth rinse that is approved by Health Canada to be safe if ingested by children 9 months or older. happymouth offers anti-cavity protection by selectively targeting acidogenic and acidophilic bacteria such as S. mutans and L. casei and inhibiting their growth and acid production. The patent-pending happymouth formulation uses xylitol as one of its key ingredients. happymouth formulation suppresses the cavity-causing bacteria’s growth and acidogenesis up to 3 times more than when xylitol is used alone.

Developed and manufactured by the Canadian company, Apollonia Health, happymouth gives the Pediatric Dental Professional another option to help improve children’s oral health.

Apollonia Health was established in December 2011 with the goal of developing oral healthcare solutions that combine both safety and efficacy for young children and that can better manage oral microbiome. Dr. Dennis Critkovich, Co-Founder and Chief Scientific Officer, is a Professor of Oral Microbiology in the Faculty of Dentistry at the University of Toronto. He is a pioneer in quorum sensing peptides research in the formation of oral biofilm. Apollonia Health is committed to building a collaborative partnership with CAPD-ACDP to help advance CAPD-ACDP’s mission to promote optimal oral health for our children.

Surveying your Ideas and Suggestions

OH NO! Not another Survey! …but then again, CAPD/ACDP has been pretty good at NOT inundating our members with surveys. However, in the spirit of being responsive to your needs, so we have two surveys in mind.

Survey #1-Available Now. This is only for members who did not attend the Annual Meeting in Halifax. If you have not already filled out the survey that you received in the mail, please click the link. It’s really only 3 quick questions to help us plan future events. http://www.surveymonkey.com/r/CAPDAnnualMeeting

Survey #2 is in the design stage. The purpose is to find out more about our collective value (clout) as an association when we approach suppliers to partner with us for events. Stay tuned.
